Dear Parents and Caregivers,

Your son's textbooks for Year 11, 2026 are now available for purchasing through the **Campion** online portal. This will ensure that he is ready to commence his senior studies from the first day of Term 1.

The textbook list and online order form can be found by following the instructions below:

- Access the portal online: www.campion.com.au
- When prompted, please use your son's student email and the school specific code provided: **WPJV**
- Follow the onscreen instructions to purchase the textbooks required for the subjects your son is studying in Year 11, 2026.
- Please note that for 2026 all students will be required to purchase the physical copy of the textbook as well as receiving access to the digital copy. The purpose of mandating the physical textbook is to reduce the cognitive load and limit distractions of their computer when students are completing their schoolwork and study.
- On top of this, students are being asked to purchase a folder and hole punch to assist in the organisation of their lesson notes. This is to help the boys be better organised in the order and presentation of the content they will need to use to study for examinations. Students will be given guidance in study skills seminars on how best to keep and retain notes for study purposes.
- Please also note that if you wish to have your textbooks delivered by the start of Term 1, you will need to place your order by the **19th December 2025**.
- All orders placed online are delivered to your home, office or any other designated address. The parcels will be delivered by the **23rd January 2026**.
- Finally, please see the additional the Year 11 2026 Booklist with login instructions from Campion attached to this email.
- Further information can be found at: <https://campion.com.au/parents/how-to-order/>

You will receive a confirmation email and further instructions shortly after purchase. When Term 1 begins, your son will need to check his Campion Bookshelf to see his activated textbooks. This bookshelf will contain all of his digital textbooks in one place.

If you require any assistance with this process, please contact me at the College.
